Dear Judge Wang;

RE; Extension Request # 20-cv-02424-vec-otw

I wish to request an extension until June 1, 2022 on the DOE motion reply. I have attached the email copy sent to DOE lawyer, Mr. Ellis for your review.

My reason for requested time is for a required medical procedure later this month and the preparation time needed.

Thank you, Your Honor Judge Wang, for your understanding to this request.

Respectfully yours,

Mary Hurd Brown
